Meridian Bank Named Top Mortgage Lender

Malvern, Pa. (January 20, 2021) – Meridian Bank announced that it has been named one of the Top Ten Mortgage Lenders in the U.S. according to a poll conducted by Secure Insight (Parsippany, NJ), a leading risk management company serving the mortgage industry.

Secure Insight polled more than 70,000 registered settlement professionals across the country, including settlement attorneys, title agents and escrow officers. The agents were asked to rate mortgage lenders based on three factors: quality of communications; helpful staff interaction; and best borrower experience. Meridian Bank was ranked in the top ten from among hundreds of mortgage lenders included in the poll.

SVPs of Residential Lending Tom Campbell and David Fitzell, manage the Bank's multi-billion dollar mortgage operation.

"This recognition is a powerful testament to our team's tireless efforts to make an often complex process streamlined and smooth for borrowers," Campbell said.

Fitzell stated, "We are grateful to be recognized by our peers as a top lender in the nation when it comes to customer service. Our focus on what matters most to our customers will always be what guides us!"
