Whisman Giordano & Associates, LLC Commits to 50 Acts of Kindness

[Newark, Delaware] — Whisman Giordano & Associates, LLC (WGA), in gratitude for their 50th Anniversary in 2023, is announcing their 50 Acts of Kindness initiative. The 50 Acts are intended to thank the community for the trust they've placed in WGA over the decades.

Throughout 2023, the Whisman Giordano team will complete 50 Acts of Kindness. Some of the Acts will be as a firm, but that is not a limitation. WGA is supporting individual team members to go into their communities and serve whatever cause is closest to their hearts.

The core of Whisman Giordano has always been an unwavering commitment to *Building Extraordinary Relationships*. It's the connections made with clients, the community, and the WGA team that makes the WGA experience truly unique. Professionally, WGA serves numerous not-for-profit organizations. Now the team wants to expand its activities and share the excitement of the 50th Anniversary celebration with the community at large.

President and Managing Director Joseph V. Giordano, CPA, CGMA, says about WGA's 50 Acts of Kindness, "We believe that our commitment to the community goes well beyond just serving our clients. We live here. Our families are here. Our firm has been very blessed over the past 50 years, and performing 50 Acts of Kindness is the least we can do. Performing kind acts and being kind should be everyone's day-to-day norm."
